Team composition

Dear chess friends,

For teams who are with 5 players registered.

Please send your team composition for every round at the latest 1 hour before the scheduled start of every round. Otherwise we shall consider the first 4 names on the list playing the round.

Send it to these emails:

Points for playing room/area

- Default time is 15 minutes, i.e. players can not show up later than 15 minutes late to a game
- Photos are allowed during the first 15 minute after the beginning of each round
- ONLY team captains are allowed to be in the playing room after the first 15 minutes of every round
- Players that have finished their game should leave the playing room reasonably quickly after they finish their games. Checking out the position of their teammates before leaving is fine but players shouldn't stay in the playing room.
